Food Asts are touring officers and draw T.A. for their journeys. In their knocking about in the city (which is not very much) they get no special allowance on the analogy of other Dist officers like the D.S.P, Dist Exc Offr & others who have also Sch. insp work in Head Quarts but for which they get no separate allowance. It is expected that the T.A. they get will cover the expenses of a car too there is no need for a Conveyance allowance. Kind expenses is invited to Art 527 M.S.R under which Conveyance allowances are given.-

The Secretary to Government,
Development Department (Food Supplies),
Bangalore.

Sir,

Subject: Grant of conveyance allowance to the Food Assistant to the Deputy Commissioner, Bangalore district.

- - -

I have the honour to state that the Deputy Commissioner, Bangalore district reports that his Food Assistant has to attend to a number of items of work as noted below involving frequent moving about within the limits of Bangalore City for which he is not entitled to any travelling allowances:-

1. Receiving stocks of ragi from taluks and handing over to A.D.F.S (Depots);
2. Receiving stocks of rice from the railway goods shed and supplying to taluks;
3. Milling of paddy and wheat - inspections of godowns in the City - securing accommodation.
4. Movement of lorries - supply of petrol.
5. Standard cloth licenses.
6. Checking stocks of merchants for exports.
7. Collection of railway statistics at the City Railway Station.
8. Settling bills of A.D.F.S. and R.O.

2) As the maintenance of a Car is absolutely necessary to enable him to attend to these several items of work promptly, the Deputy Commissioner recommends that he may be granted a conveyance allowance of Rs.50/- p.m.

3) In the circumstances, I request that sanction of Government may kindly be obtained to grant a conveyance allowance of Rs.50/- p.m. to the Food Assistant to the Deputy Commissioner, Bangalore district with effect from 23-4-1945(A/N) the date on which the present incumbant took charge of the post.

4) A copy of letter No.Est.162/44-45 dated 1st June 1945 from the Deputy Commissioner, Bangalore district in the matter is enclosed

for the information of Government.

I have the honour to be,

Sir,

Your most obedient servant,

Director of Food Supplies.

Letter No.Est.162/44-45 dated 1st June 1945, from the Deputy Commissioner Bangalore district, Bangalore, to the Director of Food Supplies in Mysore, Bangalore.

--

I have the honour to state that my Food Assistant has to attend to a number of items of work as noted in the margin involving frequent moving about inside Bangalore City for which he is not entitled to any travelling allowance. The necessity for the maintenance of a car for this purpose is obvious.

1. Receiving stock of ragi from taluks and handing over to the A.D.F.S. (Depots)
2. Receiving stock of rice from Goods shed and supplying to taluks.
3. Milling paddy and wheat - inspections of godowns in the City- securing accommodation.
4. Movement of lorries - supply of petrol.
5. Standard cloth licenses.
6. Checking stock of merchants for export.
7. Collection of railway statistics at the City railway station
8. Settling bills of A.D.F.S. and R.O.

Even though his jurisdiction extends throughout the district, he is entitled to travelling allowance only, whenever he travels beyond 5 miles from headquarters. But, a large portion of his time has also to be devoted to executive inspections within the limits of Bangalore City to attend to the various items of work, enumerated above. This itineration forms the major portion of his travelling for which no travelling allowance is admissible under the rules. It was in consideration of similar circumstances prevailing in the case of Mr.C.I.Machia, Special Officer, for Fuel Supplies, that Government have in their order No.SD.3207-14/A.41-44-14 dated 9/12th December 1944 sanctioned a conveyance allowance of Rs.50/-even though he is also, just like the Food Assistant, an Officer with jurisdiction over the entire Bangalore district and for his journeys beyond Bangalore, travelling allowance is admissible. Copies of notifications appointing him as Special Officer, Fuel Supplies, with jurisdiction over Bangalore district as well as Government order sanctioning a conveyance allowance of Rs.50/- for the maintenance of a Car are herein enclosed for favour of ready reference.

In these circumstances, I request that similar conveyance allowances may be sanctioned, from the date of his taking charge, to my Food Assistant, whose itineration within the limits of Bangalore is certainly not less than that of the Special Officer for Fuel Supplies.
